Please note that the password should consist of up to 8 alphanumeric characters. If username/password authentication is selected then you should **not** register individual addresses, as the two are mutually exclusive. Password can only be changed by Inmarsat Customer Service

### *Important Note Regarding Attachments

The C-Email registration does not normally include the possibility to send attachments. Sending attachments without knowing the total message size might generate considerable costs as the C-Email service is charged per block of 256 bits. By selecting 'Enable Attachments' on this form you confirm you are aware of the possible cost implications and agree to pay any charges which arise out of sending attachments with your messages.

# Additional information regarding the application for the C-email service

### Service Description
The C-email Service is available for business users and provides worldwide communications between Inmarsat-C terminals and Internet e-mail accounts and vice versa. Users of Internet need a prior C-email registration before being able to communicate to Inmarsat-C terminals.

### Ship to Shore Email
All mobile Inmarsat-C users can benefit from the C-email service, without a separate registration.
This service is available via Special Access Codes 28 or EMAIL when logged on to LES 12 or 02.

### Cost Control and Attachments
Inmarsat C-email is a very convenient service when dealing with relatively short messages. Attachments are possible, however this can significantly increase your message cost. In order to allow you to keep your cost under control, Inmarsat offers you the possibility of choosing whether you want to be able to send attachments or not. Please be aware that this choice applies to all messages you send.

### C-email Registration
The C-email service requires a direct billing relationship with Inmarast. For new customers, Inmarsat reserves the right to perform a preliminary financial check. Inmarsat charges no administrative handling fees. Each month the registered customer will receive a specified bill. Following the approval of the application the registered customer will receive a confirmation letter. Customers will only have access to those services for which they are registered.

### C-email charges
There are no registration or ongoing subscription fees for this service. For current rates, please visit our website or contact your Inmarsat Sales Manager or Customer Services.

All charges are expressed in **US dollars (USD) per block of 256 bits** (approximately 30 characters).
Australian customers will be billed in Australian dollars (AUD).
